Executive Director, PIR Program
CSPA/PIR
900 17th Street, NW, Suite 300
Washington, DC 20006

Subject: Review of NDETF Submission

Dear Ms. Little:

The Agency has completed its review of the following submission from the Non-Dietary Exposure Task Force.

| <u>MRID</u> | <u>Study Description</u> |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| 47414901 | Determination of Air Concentration of Pyrethrins, Piperonyl Butoxide and MGK-264 from the Operation of a Metered Aerosol Device Indoors |

The Agency has concluded that this study is acceptable. Please refer to the enclosed Data Evaluation Records for more details and a summary of results from this study. If you have any questions regarding this letter, please feel free to contact me at (703) 308-0136 or via e-mail at oconnell.cathryn@epa.gov.

Sincerely,

A handwritten signature in cursive script that reads "Cathryn O'Connell".

Cathryn O'Connell, Team Leader
Special Review and Reregistration Division
Reregistration Branch II
